

**REALITY BELIEF**

What the world is

What the world is believed to be

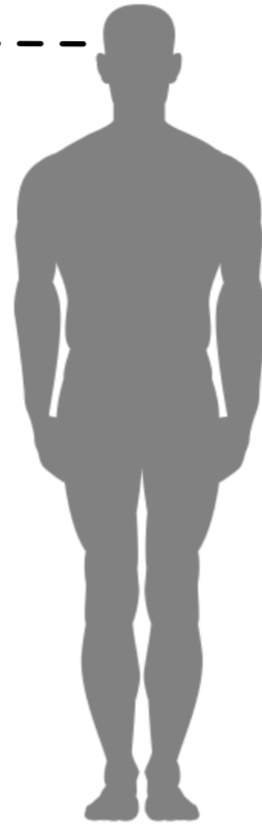

**What...**

I am  
I know  
I experience  
I understand  
I need and want  
I value  
is good for me  
I ought to do

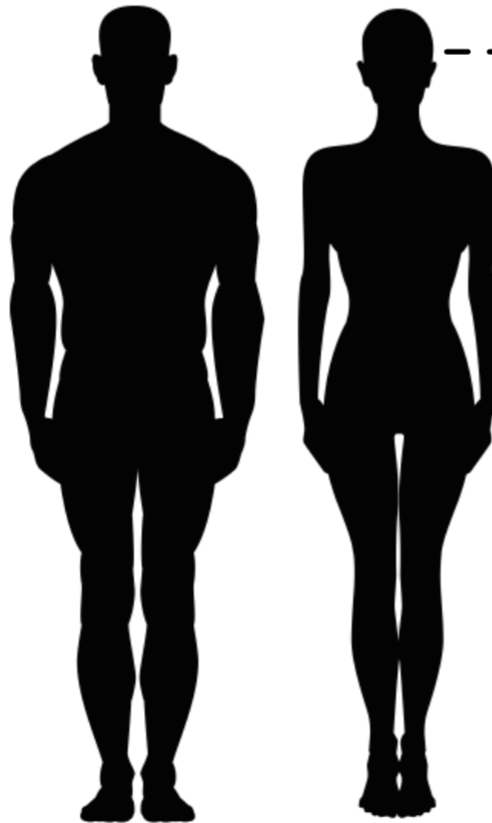

**What I believe...**

I am  
I know  
I experience  
I understand  
I need and want  
I value  
is good for me  
I ought to do

**What...**

they are  
they know  
they experience  
they understand  
they need and want  
they value  
is good for them  
they ought to do

**What I believe...**

they are  
they know  
they experience  
they understand  
they need and want  
they value  
is good for them  
they ought to do
